

Skin Treatment - Meso vital

Anti-ageing skin rejuvenating treatment which stimulates natural collagen production for the reduction of fine lines and wrinkles. Meso vital serums are infused directly into the deeper layers of the skins surface giving a refreshing vitamin and mineral boost to revitalise and improve appearance of the skin. 5% AHA peel is used to maximise results.

A course of 6 is recommended for best results 4 - 6 weeks apart.

£80 per 45 minute session

£400 course of 6 sessions

Medical Micropigmentation

Multitrepapnic Collagen Actuation (MCA) Dry Needling has proven success in treating and improving the appearance of many skin conditions. By breaking up tight and tough scar tissue, new blood comes into the area and as a result new collagen grows. Treats skin conditions such as: Stretch Marks, Skin Grafts, Fine Lines & Wrinkles, Surgical Scars, Acne Scars, Bums, Cleft Lip. For best results three treatments are recommended over a period of 3 months. 20% discount for a pre-paid course of 3 sessions. Consultation required.

Area 1	£150 per session	£360 course of 3
Area 2	£225 per session	£540 course of 3
Area 3	£300 per session	£720 course of 3

If skin lacks elasticity a combined Derma Roller and Dry needling treatment can be recommended for the best results.

Camouflage Micropigmentation

The infusion of pigments into the skin where dry needling has not recolored scar tissue and melanin is absent from the skin. This treatment can improve the white shiny appearance of healed scar tissue. It is used to camouflage the following skin conditions: Scars, Bums, Skin Grafts, Vitiligo.

Area 1	£150 per session	£360 course of 3
Area 2	£225 per session	£540 course of 3
Area 3	£300 per session	£720 course of 3

20% discount for a pre-paid course of 3 sessions. Consultation required. Please note : Scar tissue can be unpredictable when retaining pigment, so clients should be prepared to have more than one appointment to achieve the desired results

Scalp Micropigmentation

Hair Follicle Simulation £150 per hour session

Consultation required A hair loss treatment that gives the illusion of real hair. By infusing specific pigments in the epidermis it simulates the look of a shaved head or adds colour to the scalp where thinning has occurred. Multiple treatments may be required.

Eyebrows

3D Hair Stroke Effect Brows £390 (2 hours)

Hair stroke brows give the effect of ultra fine, delicate hairs that blend seamlessly with your natural brow hairs. Restoring the basic shape and creating a symmetrical appearance.

Ombre Brows £390 (2 hours)

Advanced shading techniques are used to create a softly shaded powdered effect brow. Suitable for all skin types and ages, it's the most popular technique on the market.

3D Complete Brow Recreation £390 (2 hours)

If you have completely lost all brow hair then we can recreate a perfect set of 3D brows using the two combined methods of powder shading and ultra fine hair strokes to create a natural looking brow with depth and fullness.

Tip or Tail Extension £230 (2 hours)

A treatment to add ultra fine hair strokes or some light shading to blend seamlessly into a brow that either starts too far apart, finishes too short or to camouflage a scar/gap through the brow.

Eyeliner

Natural Lash Definer £310 (1.5 hours)

A very discreet enhancement that entails placing microdots in between the top and bottom lashes which creates subtle shadowing giving the illusion of a darker fuller lash line. Suitable for very fair or sparse lashes.

Everyday Eyeliner £380 (2 hours)

Either a precise line or a soft natural shadow effect through the top and bottom lash line to imitate a perfectly applied, natural eyeliner that is smudge free and lasts all day long.

Thick Eyeliner £390 (2 hours)

If you are after a bolder, more obvious make up look then a thicker eyeliner can be created with soft shading above the lash line to create a 'smokey eye' vibe to really make your eyes pop!

Guyliner £380 (2 hours)

For the guys that need that little extra boost! The same techniques are used to create a very natural shadowing giving the illusion of a fuller, darker lash line that will define your eyes.

Lips

Lip Definer & Blush £380 (2 hours)

Adds definition and shape restoring your natural lip line and correcting any asymmetry of the mouth. By adding a subtle haze of colour from the boarder line that blends into the body of your lip, it gives the appearance of a youthful fuller pout.

Full Lip Tint £395 (2.5 hours)

Subtle shading across the whole lip, reviving pale or uneven lip tones creating a natural burst of colour and giving the illusion of a lipstick that lasts all day long without the reapplying!

Refresh & Colour Correction

4-6 Week Follow Up Session (Colour Top Up) FREE

All treatments (excluding maintenance and correctional) include one FREE top up session within 4-6 weeks after initial procedure.

Additional Top Up Sessions (taken up to 3 months from last treatment) £60

This additional top up is only to be taken within three months of your last treatment session. It is for clients who have very oily skin or medical conditions that may reject more colour than average. This is also an extra layer of colour for a client that wants a very strong defined look.

Colour Boost

A one off treatment recommended 6,12 or 18 months after your initial procedure to refresh the appearance of your enhancement, giving it a burst of colour so it looks as good as new.

Colourboost up to 6 months £90

Colourboost up to 12 months £170

Colourboost up to 18 months £215

Colourboost over 18 months £270

Retouch After Three Years (for returning clients) £295

A consultation is required and price will be confirmed on review.

Any additional treatments that require shape alteration or colour darkening will incur a £75 charge.

Colour Correction £170 Per Session

Unnatural colours can be reworked and brought back to a flattering look with the use of corrective pigments. Multiple sessions may be required. Prices are dependent on individual circumstances and a consultation is required

Tattoo Removal Consultation required

Using a solution to correct or remove permanent make up treatments or remove small tattoos. A consultation is required and price is confirmed on review.

Terms and Conditions

Semi permanent make up is applied over 2 appointments, 4-6 weeks apart. Payment plan available *for new treatments only, split across two appointments. Balance must be paid in full 4 weeks after initial treatment even if the top up appointment is not required or taken.

All treatments excluding maintenance and correctional work include one free top up session within 4-6 weeks after the initial procedure. Any appointments made after this time are chargeable. A minimum of 48 hours notice is required for cancellations. 10% discount for new multiple area treatments carried out on the same day. Please ensure bank payments are set up ready for transfer on the day if required.
